SARA MISSION TRIP

JUNE 18TH - 26TH

Medical Mission Trip to Europe/Serbia

The SARA Mission trip will lead you to orphanages, daycare facilities for beneficiaries with disabilities, hospitals, and local clinics often poorly equipped. You will encounter Christians and you will be participating in their different traditions of Worship. It is a life changing experience- one that will open up a new world. You will see the world around you with different eyes.

For more information please contact Rev. Attila Szemesi at amherstintegrity@centurytel.net or the church office (440) 988-9148.
